Manual Filters > Metal

> "L" Screen STF

Code	Coupling Ø	Q _{max} m ³ /h	
AFL1830	2" threaded M	20	
AFL1831	DN80	40	

DESCRIPTION:

Application

- Security filter for agriculture

Specifics

- Maximum working pressure: 8 bar
- Coupling: female threaded
- Filtering element: stainless steel
- screen 140 mesh
- Closing cap: screw
- Installation: vertical

Features

- Filter cap for discharge valve
- Input/output: 90°

Materials

- Body and cap: galvanized steel
- Filtering screen: epoxy/polyester painted steel
- Filtering screen: stainless steel with PVC support
- Seals: EPDM
