

Technical Data

Manual Filters > Metal

> Semi-automatic Screen Filter

Code	Coupling Ø	Q _{max} m ³ /h
AFL157	3"	36
AFL159	DN80	36
AFL158	4"	72
AFL160	DN100	72

DESCRIPTION:

Application

- Semi-automatic disk filter with manual backwash

Specifics

- Maximum pressure
- Filtering element
- Screw-down closure

Features

- Disk filter manual backwash
- Ball valve for discharging

Materials

- Body, cap: painted steel
- Filtering element: SS grid
